We mourn the loss of The Emperor of Hemp, Jack Herer, who passed away on the morning of April 15, 2010. Jack suffered a severe heart attack following his powerful speech at the Portland Hempstalk in September 2009 and did not ever fully recover. We will gather in his memory, remember his vision and celebrate his legacy with THE I LOVE JACK HERER TOUR! Originally conceived for the purpose of raising money to help Jack and his family with the accumulating bills from his care and recovery, the Tour will now move forward to raise money for Jack's family to help with remaining expenses.

The Tour will kick off on April 30th in Seattle, WA and will continue to Olympia, WA (May 1), Portland, OR (May 8) and Eugene, OR (May 9). Join us along with the Herbivores, The Devil's Boots, Sour Owl, Z Kamp, Sister Moth, Artesian Underground, Bajuana Tea, IChele, Mars Grass, Alkaline Vibe and many more fantastic bands! Admission to the show is \$10.00. Non-perishable food will also be collected at the doors for donation to local food banks. Get \$2.00 off with 2 or more cans of food. Shows start at 4:20pm!

Additional shows in California, including San Diego and Los Angeles are planned for May and June. Details will be available soon on our website at www.myspace.com/welovethehemperor or for more information contact From the Heart Entertainment at welovethehemperorjackherer@yahoo.com.

Jack was a Hero and Freedom Fighter! He is best known for his pioneering activism in the Hemp Movement. Author of The Emperor Wears No Clothes, Jack worked for over 30 years educating people about the many uses of the hemp plant for food, fuel and fiber and the beneficial properties of cannabis for both medical and recreational use. Jack spent a large portion of his life to promoting the legal use of both hemp and cannabis in the United States and around the world. Were it not for his dedication and passion for the Movement it would not have made it as far as it has even today. Jack's health was undoubtedly affected but even after suffering a stroke in 2001 he refused to give up fighting for the Hemp Movement and for the freedom cannabis users. That is why he will always be The Emperor of Hemp!
